All-Season Wiper Blade

Designed for Clear Vision
in All Conditions

TrueFlex™
Technology

ENSURES OPTIMIZED
WINDSHIELD
CONTACT

All-Weather Performance

Aerodynamic Spoiler Blade ensuring uniform, streak-free wiping with consistent contact in rain, snow, and dust, even at highway speeds.

Enhanced Durability

Built with a reinforced structure to withstand extreme temperatures while ensuring quiet, long-lasting performance.

Easy Installation

Features a universal multi-adapter system with 1 pre-installed adapter for quick, tool-free installation, plus 4 additional adapters.

The Flextreme Ultra Advantage.

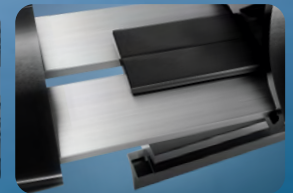

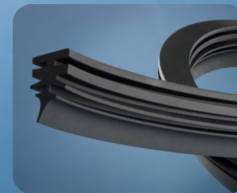

Available for a broad range of vehicle applications. Thanks to its advanced flex technology, Flextreme Ultra™ provides continuous pressure distribution.

Aerodynamic Spoiler Blade

Reinforced beam structure
for consistent pressure

✓ Covers up to 98% of vehicles
